

Directions to Mark's House

Rosendale is located between New Paltz and Kingston, about 70 minutes south of Albany, 80 minutes north of NYC, and 120 minutes from Springfield, MA.

From Northbound NYS Thruway (I-87) (NYC):

Take New Paltz Exit 18. After toll booth, take left onto Route 299. Immediately after crossing bridge over Thruway, take a right onto North Putt Corner's Rd. After a little over a mile, take a left onto Shivertown Rd. After almost a mile at a flashing red light, take a right onto Route 32 North. Travel 6.5 miles, through Tillson and Rosendale, crossing the blue Rosendale bridge, passing the intersection of Route 213, and passing a brick mall on left, you'll begin to ascend a long hill with a passing zone. At the top of the hill, make a right onto Cornell St. At the end of Cornell St, take a right onto Dellay Ave. Go to the seeming end of Dellay, take a left onto Fischer Ave, a private road. Keep on the paved road as Fischer winds up a hill, levels off for a few hundred feet, takes a hard right and heads downhill. My house is the very last house on the left, beige with a shed or two.

From Southbound NYS Thruway (I-87) (Albany):

Take Kingston Exit 19. After toll booth, enter rotary and take the second exit onto Washington Ave. You'll be following signs for Route 32 South. Travel on Washington Ave for about 1.7 miles to its end, and take a right onto Route 32 South. Follow Route 32 for almost 6 miles. Just after Bill's Auto Service on left, take left onto Romanus Street. Take first right onto Dellay Avenue (which is mislabelled). Go to the seeming end of Dellay, take a left onto Fischer Ave, a private road. Keep on the paved road as Fischer winds up a hill, levels off for a few hundred feet, takes a hard right and heads downhill. My house is the very last house on the left, beige with a shed or two.
